2020 - MSA MEDICAL REQUIREMENTS

Dear Motorsport SA competitor,

This is just a friendly reminder that if you have any medical conditions that have previously required a report from your treating Specialist, you will need to submit a new report for 2020 as this is an annual requirement.

For competitors who submitted their Stress ECG's in 2017 the 3 year cycle ends on the 31st December 2019 and you will be required submit a new Stress ECG for your 2020 Licence.

I would like to thank the competitors who have already sent their updated Stress ECG's.

If you have any queries relating to the above, please contact Rashaad at MSA on -
