TECHNICAL NOTE

A number of production and special vehicle engines were sealed during the 2019 season.

Should you plan to open an engine for inspection or rebuild for 2020, please contact Clive Densham to approve cutting of the seals and engine inspection. Before final reassembly Clive Densham must reinspect and seal for the 2020 season.

Your co-operation will be appreciated. Please refer to Cross Country SSR's Part II point 2.1 Group N engine and 3.2.8 i) and 1ii) Balance of Performance and Restrictors.
