MSA SAFEGUARDING POLICY

FOREWORD – SAFEGUARDING EVERYONE IN SOUTH AFRICAN MOTORSPORT

This policy has been created by Motorsport South Africa (MSA) with the aim of safeguarding the interests of all involved in South African motorsport, but particularly those of children and vulnerable adults (for example, adults suffering from physical and/or mental afflictions or disabilities).

MSA requires and expects the support and cooperation of all parties involved in South African motorsport with regard to its safeguarding objectives, aimed at protecting the integrity of the sport and promoting the values of safe sport for all. It is quite clearly the right thing to do.

Despite the numerous well-recognised benefits of sports participation, evidence indicates that harassment and abuse occur in all sports, at all levels. It is the responsibility of everyone involved with local motorsport, in whichever way, to assist in identifying and preventing any kind of harassment, abuse or discrimination and to develop a culture of dignity, respect and safety in the sport.

1. DEFINITIONS (as per IOC safeguarding guidelines)

“Harassment” or **“Abuse”** includes psychological abuse, physical abuse, sexual harassment and neglect. These forms of harassment and abuse may occur in combination or in isolation.

“Child Abuse” means the mistreatment of a person under the age of eighteen years by an adult.

“Psychological abuse” means any unwelcome act including confinement, isolation, verbal assault, humiliation, intimidation, infantilization, or any other treatment that may diminish the sense of identity, dignity and self-worth.

“Physical abuse” means any deliberate and unwelcome act - such as, for example, punching, beating, kicking, biting and burning - that causes physical trauma or injury. Such acts can also consist of forced or inappropriate physical activity (e.g., age-, or physique- inappropriate training loads; when injured or in pain), forced alcohol consumption, or forced doping practices.

“Bullying” (or cyberbullying if conducted online) is unwanted, repeated and intentional, aggressive behaviour usually among peers, and can involve a real or perceived power imbalance. Bullying can include actions such as making threats, spreading rumours or falsehoods, attacking someone physically or verbally and deliberately excluding someone.

“Sexual harassment” means any verbal or physical conduct of a sexual nature, which is unwelcome, or where consent is either coerced, manipulated or cannot be given. Sexual harassment can take the form of sexual abuse.

“Neglect” within the meaning of this policy means the failure of a coach or another person with a duty of care towards the competitor/athlete to provide a minimum level of care to the competitor/athlete, which is causing harm, allowing harm to be caused, or creating an imminent danger of harm.

“Discrimination” means treating, proposing to treat or requesting, assisting, instructing or encouraging another person to treat a person less favourably than someone else on the basis of an attribute or personal characteristic including:

- Age
- Disability
- Athletic ability
- Athletic longevity
- Marital status
- Parental or career status
- Physical features
- Irrelevant medical record
- Irrelevant criminal record
- Political belief or activity
- Pregnancy
- Breastfeeding
- Race
- Ethnicity
- Religious belief or activity
- Sex or gender
- Sexual orientation
- Transgender orientation
- Socio-economic/Financial status
- Trade union membership or activity

Harassment and abuse can be based on any grounds including race, religion, colour, creed, ethnic origin, physical attributes, gender, sexual orientation, age, disability, socio-economic status and athletic ability. It can include a once-off incident or a series of incidents. It may be in person or online. Harassment may be deliberate, unsolicited and coercive. Harassment and abuse often result from an abuse of authority, meaning the improper use of a position of influence, power or authority by an individual against another person.

2. PARTICIPANTS RIGHTS

MSA is committed to promoting an environment within local motorsport in which all individuals are treated with respect and dignity. Each individual has the right to participate and work in an environment that promotes equal opportunities and prohibits discriminatory practices.

All athletes have a right to engage in “safe sport”, defined as a sporting environment that is respectful, equitable and free from all forms of non-accidental violence to athletes.

Everyone involved with MSA events has the right to enjoy the activities in a safe and respectful environment without any fear of misconduct or inappropriate behaviour from others.

All forms of harassment and abuse constitute a breach of human rights and may, in certain instances, constitute a criminal offence.

3. COMMITMENT

Safeguarding is everyone's responsibility and MSA require all involved in South African motorsport, in whatsoever capacity, to respect the following:

- 3.1 Acknowledge individual responsibility for promoting the welfare of everyone involved in motorsport activities;
- 3.2 Protect the physical, emotional and social health as well as safety and rights of everyone involved in motorsport activities;
- 3.3 Respect all the participants in motorsport regardless of colour, race, nationality, ethnic or national origin, age, gender, sexual orientation, disability or religion;
- 3.4 Make sure that all the participants in motorsport have the right to participate, enjoy and develop through motorsport, in a safe and inclusive environment;
- 3.5 Adopt, implement and comply with this policy;
- 3.6 Deal with any breaches or complaints made under this policy in a sensitive, fair, timely and confidential manner;
- 3.7 Recognize and enforce any penalty imposed under this policy.

4. EDUCATION

Safeguarding training will form part of MSA's webinar-based training activities.

5. REPORTING AND PROCEDURE FOR ADDRESSING INCIDENTS OF UNACCEPTABLE BEHAVIOUR

Reports of unacceptable behaviour may be made in writing or verbally. Anyone may report an incident of unacceptable behaviour by:

- Talking to any of the MSA officials at MSA-sanctioned motorsport events; and/or
- Emailing the MSA Safeguarding Official, Rashaad Monteiro, at rashaad@motorsport.co.za

A MSA official receiving any information in relation to safeguarding concerns at a MSA-sanctioned motorsport event has the responsibility to report the incident - depending on the nature of the case – either to the Stewards of the event, to the Chief Medical Officer/Coordinator (CMO/CMC) or to the MSA Safeguarding Official.

Depending on the nature of the concerns, the case may be dealt with at the time of the event (comparatively minor issues only) and/or handed over to the MSA Safeguarding Official for appropriate investigation and action.

6. CONFIDENTIALITY

- 6.1 All matters pertaining to an alleged incident of harassment and abuse, in particular reports of harassment and abuse, personal information of the concerned persons, other information gathered during investigations and results of investigations (“Confidential information”) shall be treated as confidential.
- 6.2 MSA may disclose confidential information to appropriate persons or authorities if: (i) a failure to disclose such information may cause harm to someone, or (ii) such information relates to a potential criminal act that comes to the attention of MSA.
- 6.3 Notwithstanding clauses 6.1 and 6.2 above, decisions pursuant to Section 5 shall, in principle, include Confidential Information and may be publicly disclosed by MSA, if such disclosure is deemed to be in the best interests of the sport and is likely to serve as a deterrent in the future. When disclosing any such disclosure, MSA shall: (i) not include any personal information of the victim without obtaining the victim’s consent, and (ii) anonymise personal information of other concerned persons in certain cases, taking into consideration the right to privacy of such concerned persons.
