Good Day

Please see amendments highlighted in **yellow**

Welcome to the INGCO Parys and Vaal 400, the only double-header on the SA Rally-Raid Championship calendar.

The event has a uniqueness about it, although the majority of the route will be run on semi-familiar terrain in the Free State area of Parys, the start/finish, event headquarters and the designated service point (DSP) are all located in the Northwest Province, on the other side of the Vaal River, at the very beautiful Stonehenge River Lodge.

The weather forecast predicts lovely warm Spring temperatures but be prepared for two long and arduous days of racing.

Our sincere gratitude to INGCO, the supplier of an extensive range of power tools, hand tools and accessories designed to meet the needs of professionals and DIY enthusiasts alike, who has sponsored the weekend's events.

We also express our sincere appreciation to the local landowners who have again made their valuable properties available to us and to Stonehenge River Lodge for the use of their property and facilities.
